

**Built to Perform.
Built to Last.**

The Future Runs on
What We Build™

Through our OneCampos approach, we integrate engineering, procurement, fabrication, and construction into a single, accountable team—while giving clients the flexibility to engage one service, one entity, or the full integrated solution—reducing complexity, controlling cost, and improving schedule certainty from concept through commissioning.

WHAT SETS THE NACC TEAM APART

Our Expertise:

- Construction Management
 - Project planning, Estimating, Contract administration, Safety, Quality assurance, Procurement
- Pipeline and Facilities
 - Engineering, Procurement & Construction (EPC), Pipeline Integrity, Hydrostatic Testing, Meter Stations, Electrical, Instrumentation & Controls, Excavation, Permitting & Regulatory Support, Construction, Pipeline Routing & Site Selection
- Pipeline Integrity/Corrosion
 - ILI & Direct Assessment Anomaly Excavations, Cathodic Protection Installation, Cased Pipe Remediation, Pipeline Coating Systems
- Pipeline Repair Sleeves, Direct Examination Excavations, Linear Anode Installation, Deep Well Anode Systems
- Gas Distribution
 - Distribution System Maintenance & Replacement, Service Line & Meter Replacement, Traffic Control & Public Safety Coordination
- Construction & Project Management, Cross-Bore Sewer Inspection Services
- Technical Services
 - Close Interval Surveys (CIS), Direct Current Voltage Gradient (DCVG), Alternating Current Voltage Gradient (ACVG), Soil Resistivity Testing, Depth of Cover Surveys, DC Interference Testing, AC Interference Testing, Inspection Services

A MEMBER OF THE CAMPOS FAMILY

A TRUSTED CONSTRUCTION PARTNER

Campos NACC Construction delivers safe, reliable construction solutions for energy, utility, and industrial infrastructure across North America. Our experienced teams bring a commitment to safety, quality, performance, and partnership to every project.

The NACC team brings field expertise, disciplined execution, and a safety-first approach to complex infrastructure projects. From construction management and pipeline and facility construction to integrity, distribution, survey, and inspection, our teams deliver the hands-on capabilities needed to move critical projects from plan to completion.

We believe there is a better way to complete construction projects, with integrity and sustainability. This means no shortcuts, and open communication with clients throughout the entirety of the project, all while ensuring the highest standards for the safety of the workers, the community and especially the environment.

Our Mission

NACC Construction's mission is to provide exceptional construction and construction management services to our clients. Safe operations, quality construction and exceptional service are the foundation of how we work and the standard we bring to every project.

Our Core Values

Our seven core values guide how we work, make decisions and serve our clients:

Culture • Ethics • Performance • Compliance • Alignment to Client • Schedule Driven • Employee Utilization

These values shape our culture and guide our teams every day—from how we treat one another to how we plan, execute and deliver for our clients. They reinforce our commitment to safety, accountability, quality and consistent performance on every project.

The future is our promise. OneCampos is how we do it.

Campos operates as one connected ecosystem across **engineering, construction, fabrication, staffing, analytics, and energy investment and development**. Clients can engage a single service or multiple phases. When aligned as OneCampos, teams reduce friction and deliver clearer accountability from start to finish.

Campos Operates as **OneCampos**

Why it matters

Infrastructure today demands:
Speed | Clarity | Accountability

One connected team
Fewer hands-offs
Clear ownership

One partner. Many disciplines. Total accountability.

One integrated platform

The power of OneCampos:

Faster decisions:

Teams aligned early

Lower risk:

Less friction across phases

Stronger outcomes:

End-to-end accountability

Greater opportunity:

Capital+ execution under one platform.

Safety & Communities

Safety first

Bottom-up safety culture

Community impact

Education and opportunity
